

# VOTING RIGHTS: GUIDE FOR PEOPLE WITH FELONY CONVICTIONS

In Tennessee individuals convicted of a felony lose their right to vote and are oftentimes unaware of the process for restoration of those rights. ACLU-TN, joined by civil rights and civil liberties organizations across the state launched its "Right to Vote Campaign" in an effort to restore voting rights for individuals with felony convictions.

## ELIGIBILITY

Your right to vote can be restored when:

- your sentence is completed;
- you have finished your probation and parole;
- you have paid all court-ordered restitution,
- you have paid all court costs; and
- you are current on court-ordered child support.

## INELIGIBILITY

Your right to vote **cannot** be restored if you were convicted of the following crimes during the dates listed:

- First Degree murder, aggravated rape, treason and voter fraud if convicted between **July 1, 1986 and June 30, 1996.**
- Murder, rape, treason and voter fraud if convicted between **July 2, 1996 and June 30, 2006.**
- Murder, rape, treason, voter fraud, and violent sexual offense designated as a felony where the victim of the offense was a minor, and offenses against the administration of government by elected or appointed officials if convicted on or after **July 1, 2006.**

## VOTER REGISTRATION

### 1. Obtain a Certificate of Restoration application from your:

- ✓ Local county election office, or
- ✓ The Tennessee Election Commission website.
- ✓ (<http://share.tn.gov/sos/election/forms/ss-3041.pdf>)

### 2. Have a Certificate of Restoration form completed by:

- ✓ your probation/parole officer, the pardoning authority, or agent or officer of the supervising or incarcerating authority certifying that **your sentence is complete**, including all terms of probation and parole AND the circuit or criminal court clerk or their agent, or the probation/parole officer, or an agent or officer of the supervising or incarcerating authority certifying that **all court-ordered restitution is paid in full.**

### 3. Deliver your completed Certificate of Restoration application to the local Election Commission office.

They will send it to the State Election Commission for their review and to make sure all child support obligations are current.

You will be notified that your right to vote has been restored or that your restoration application has been denied and why.

### 4. If your right to vote has been restored, obtain a Voter Registration form from the local Election Commission office or the Tennessee Election Commission website and fill it out.

- ✓ Include your name and street address. (A PO Box is not acceptable. If you are homeless ask a local shelter or community organization to allow you to list their address.)
- ✓ Fill in your birth date and social security number.
- ✓ Check that this is a new registration.
- ✓ **Check that you have been convicted of a felony.**
- ✓ Sign your name.

### 5. Deliver your completed Voter Registration form with your approved Certificate of Restoration to the local Election Commission office in the county in which you live or send it to the address listed on the form. Be sure to keep a copy of both forms for your records. You must register to vote at least 30 days before the election
