The latest post is regarding church at 935 am on tomorrow. Nothing new about Beale St past some discussion about coming to Beale or going to a club.

We will remain vigilant for the evening but it appears as bough they may not show.

ALCON,

At the present there is no adverse information that would suggest the potential for civil disorder. According to the social media Intel, a potential gathering involving Mr. Gipson (Frank Gotti) will take place at a church at 843 W. Raines at 08:30 hours, which DID NOT indicate or suggest the potential for social discord.

We will do our best to keep all apprised of pertinent information that would suggest a mobilization of resources due to the potential for civil disorder or threat to law enforcement and public safety.

As of 9:30am, there were only about 15 vehicles parked on the lot at 843 W. Raines, and everyone went inside of the church, which is located on the SE corner of Westmont and Raines. This is Thaddeus Matthews’ church, known as The Ivory Place.

I just made the scene at New Direction Church in the 5800 block of Winchester there's about 50 people gathered for the prayer for Darius Stewart. No one is in the street they are all on the sidewalk and on the property of the church they're actually parking on the property of the church and walking up to the street will monitor it and advise if we have any problems as of right now no problems. I'm across the street they do not know that I'm watching them.

I just made the scene at New Direction Church in the 5800 block of Winchester there's about 50 people gathered for the prayer for Darius Stewart. No one is in the street they are all on the sidewalk and on the property of the church they're actually parking on the property of the church and walking up to the street will monitor it and advise if we have any problems as of right now no problems. I'm across the street they do not know that I'm watching them.
This is Ridgeway Station, but we will prob assist with our TF.

Thanks.

Major,

I know this is short notice, but I was wondering if we could send someone from OCU over there to gather some information on this meeting. This invite came from Spencer KAAZ via text message. Last week I had a UC phone number set up with OCU that would record these text and calls.

The invitation is pictured above and if we are able to send someone from OCU please let me know so I can respond to KAAZ via text.

Sir,

We just now received this permit. A protest march tomorrow (1/20) put on by the Peace and Justice Center. They usually like to cause a scene for media notice. I will have to hire OT and get some EDU guys to come in early. I’d rather be prepared than surprised. The Permits office did not give us enough notice to prepare a detail. I will reach out to Col Wright and Burnett and see if they can assist, in case. I will also advise Crump to be prepared, if we call out. It may be nothing, but my experience with this group is that they are loud and like attention. I will also advise the Beale Merchants, since it looks like they might walk down Beale en route to city hall.

XII. Extension of Jurisdiction

The Court will retain jurisdiction of this action, including any issue which might arise regarding payment of attorneys’ fees to counsel for plaintiffs, pending disposition of all matters contained in this Decree and for the purpose of issuing any additional order required to effectuate this Decree.
