**Re: Public Records Request Pertaining to Hillsdale College**

Dear Deputy Counsel:

According to recent news reports, Governor Bill Lee is developing a partnership with Hillsdale College to establish a number of publicly funded charter schools throughout Tennessee to be operated by the private Christian university.<sup>1</sup> Because Governor Lee's plan raises serious constitutional concerns, we seek the following public records to better understand the arrangement:

1. All records reflecting any communication sent between any employee, official, trustee, or other agent of Hillsdale College and Governor Lee, his staff, or other agent of Governor Lee's office, regarding any existing, planned, or potential charter school operated by or affiliated with (or to be operated by or affiliated with) Hillsdale College or any subsidiary of or entity related to Hillsdale College.
2. All records reflecting any communication sent between any member, commissioner, employee, official, or other agent of the Tennessee Public Charter School Commission and Governor Lee, his staff, or other agent of Governor Lee's office, regarding any existing, planned, or potential charter school operated by or affiliated with (or to be operated by or affiliated with) Hillsdale College or any subsidiary of or entity related to Hillsdale College.
3. All records reflecting any communication sent between any employee, official, or other agent of any Tennessee public school district and Governor Lee, his staff, or other agent of Governor Lee's office, regarding any existing, planned, or potential charter school operated by or affiliated with (or to be operated by or affiliated with) Hillsdale College or any subsidiary of or entity related to Hillsdale College.
4. All records reflecting any communication sent between any employee, official, or other agent of the Tennessee Department of Education and Governor Lee, his staff, or other agent of Governor Lee's office, regarding any existing, planned, or potential charter school operated by or affiliated with (or to be operated by or affiliated with) Hillsdale College or any subsidiary of or entity related to Hillsdale College.
